2025-26

A COMPLETE  
**SANITARYWARE** COLLECTION

# INTRODUCING **MR. MOTTERO**

Discover The Future Of  
Sanitaryware With Mr. Mottero.

## Smart solutions for A smarter bathroom

– Powered by **Mr. Mottero**

At Mottero, we offer a wide range of premium bathware solutions designed to bring versatility and enhance the aesthetics of your space. With over 30 years of expertise, we have not only become a leader in Indian sanitaryware but have also remained committed to continuous innovation and sustainability.

Our vision is to gain global recognition for our excellence, while our mission is to create sanitaryware that prioritizes safety, comfort, and style for all. Our products reflect precision and perfection, crafted with the core values of safety, practicality, comfort, and elegance. Leveraging advanced technology, we meet the evolving needs of the market, aiming to elevate every bathroom experience with a touch of tranquility.

## About Us

At Mottero, we provide an extensive range of premium bathware solutions that add a fresh arena of versatility while enhancing aesthetics. With over 30 years of experience, we have not only established ourselves as the leading force of Indian Sanitaryware but have also engaged in exceptional commitment to innovation and sustainability.

Our vision is to be globally recognized for our excellence, while our mission focuses on developing sanitaryware that guarantees safety and comfort for everyone. Our products echo the finesse of perfection, moulded with the elements of safety, comfort, practicality, and style! With advanced technology, we cater to the contemporary needs of the market and aim to elevate the bathroom experience with serenity!

## Mission

Our mission is to develop sanitaryware solutions that prioritize the safety and comfort of every individual. We are dedicated to designing products that harmonize with the modern lifestyle, blending aesthetics with functionality. Our offerings are the result of meticulous craftsmanship, embodying the highest standards of safety, comfort, practicality, and style. By integrating cutting-edge technology and anticipating market trends, we strive to enhance the bathroom experience, creating spaces of serenity and sophistication. We are committed to continuous improvement and innovation, ensuring that our products consistently elevate the standard of living for our customers.

## Vision

To be a globally recognized leader in the sanitaryware industry, admired for our unwavering commitment to excellence. We aspire to set new benchmarks in the industry, becoming synonymous with quality, innovation, and style. Our vision is to influence the global market by consistently delivering products that not only meet but exceed expectations, reflecting our dedication to craftsmanship and innovation. We aim to inspire trust and loyalty, earning the respect and recognition of customers, partners, and industry peers worldwide.

# BATHROOM TRENDS

Every Product Radiates Brilliance And Purity.

High-tempered firing and a hygiene-friendly manufacturing process.

Utilizing A Fully Computerized, Advanced Kiln Technology.

Water-saving flushing system

Only the finest raw materials are selected, with R&D ensuring they are purified, tested, and certified.

Anti-bacterial glazed product.

For enhanced shine and smoothness, eco-friendly natural gas residues are utilized.

Soft closing seat cover is a plus advantage.

Production methodology based on ISI and ISO standards.

Every Product Radiates Brilliance And Purity.

## Key Features & Unique Qualities

Discover the future of sanitaryware with our cutting-edge fixtures. Designed with advanced technology, our products offer everything from water-saving solutions to smart features, transforming the way you experience comfort and convenience in your daily life.

# AQUAGLIDE

Introducing the  
Future of Bathroom Hygiene

Say goodbye to the hassle of cleaning. enjoy a design that's as smart as it is clean. This sleek innovation transforms your bathroom into a sanctuary of convenience, style, and cleanliness, ensuring that every detail is perfectly crafted for you.

## Flush Technology

### TORNADO

The Tornado flush system utilizes dual powerful nozzles that generate a cyclonic rinsing action, ensuring maximum cleanliness. It significantly reduces waste buildup, keeping the bowl spotless with every flush. This high-efficiency system outperforms traditional toilets, offering a cleaner, more effective flush with just one action compared to multiple flushes.

### SIPHONIC

The siphonic flush system, also known as the suction flushing system, operates by creating a narrow 'Q' shaped trapway. This design ensures a cleaner bowl with fewer skid marks, all thanks to advanced flushing technology.

### SIPHONIC WITH TORNADO

The combination of siphonic and tornado flushing systems brings the highest level of hygiene to your bathroom. With this advanced and easy-to-maintain system, keeping your toilet clean is faster and simpler. We're introducing brand-new 4D and 5D flushing features for an enhanced experience.

### WASHDOWN

The washdown flushing system operates on a simple principle—it uses the weight and gravitational flow of water from the toilet bowl. This efficient system helps conserve water effectively, as it incorporates dual flushing for optimal water usage.

**WALL HUNG BASIN**

As per shown in the picture, the lag bolt must be grouted into the cement/concrete wall. The bolts must be fixed to the cement/concrete wall. Allow setting & checking than install it using nut and washer.

**COUNTER WASHBASIN**

At the beginning

1. A skilled or experienced person should install counter lavatories.
2. Avoid using adhesive with this product.
3. Check the waste area and supply tubing if required.
4. Do not open the lavatory from its protective carton until you are ready for installation.
5. Please follow all local building and plumbing codes.

**MATERIAL & TOOLS**

Measure tape, Keyhole or saber saw, Hammer, Glasses, Rags or Paper toweling, Drill (1/2 dia, drill bit or larger), Pencil, sealant, sharp knife or scissors.

**INSTALLATION OF LAVATORY**

Please Note : Please install it in a way that future removal from underneath the counter top is possible without damaging the counter top.

1. Please check the desired location for clearance between the back splash, faucet, Fixture and cabinet.
2. Please cut the template.
3. Please carefully trace the template on the counter top directed.
4. Please mark the faucet hole centerline on the counter top.
5. Please drill a 1/2" pilot on the inside of the cut line.

**For Wood Counter tops:**

1. Mark and pre-drill the wood screw holes at the locations shown on the template.
2. Waterproof any exposed areas of wood.

**For Marble Counter tops:**

1. Position the counter top upside down on foam padding to protect the surface. Mark and drill 3/8" holes 5/8" deep at the locations shown on the template.
2. Use a setting tool and hammer to secure the anchors.

**For All Installations:**

1. If the counter top has not been installed, install it at this time.
2. Drill the faucet holes according to the faucet installation instructions.
3. Install the faucet to the counter top according to the manufacture's instructions.
4. Install the drain to the lavatory according to the manufacture's instructions.
